

Alloway Township School
Home of the Tigers

Dear Alloway Parents & Guardians:

We have been closely monitoring the COVID-19 outbreak. After careful consideration and conferring with our district Administrative Team and County Superintendents, we feel it is in the best interest of our students, staff and community for the Alloway Township School District to activate its remote learning plan as follows:

- **Monday, March 16th**, the Alloway Township School will be open and operate on a **half day** schedule for students. Staff will use the second half of the day to prepare for the shift to distance learning.
- Starting on **Tuesday, March 17th through Friday, March 27th** students will engage in a distance learning instruction platform from home.
- It is anticipated that students and staff will return to school on **Monday, March 30, 2020**. This may change as we continue to monitor the COVID-19 outbreak.
- **SACC will be open for students on Monday, March 16, 2020. If your child is attending SACC, please have them bring a bagged lunch to school.**

Please know we are doing our best to make decisions that are in the best interest of our entire school community. Updates will be posted on the district website at allowschool.org, Facebook page and via the Blackboard Connect information system as new and relevant information becomes available.

We thank you for your patience, understanding and support as we continue to work through this unprecedented situation.

Sincerely,

Steven Crispin
Interim Superintendent
Alloway Township School District
