

Speech Therapy Remote Learning Lesson Plan

Dear Parents & Guardians,

I have sent home speech and language packets with your child targeting your child's specific speech and language goals. I have provided materials for the two week shut down period. Should the school closure extend past the two-week period, I am providing a list of great resources for you to feel free to use at home and I will also be sending additional packets home if needed.

I am available if you any questions or concerns. Please email me at kbannon@allowayschool.org

Thank you,

Kara Bannon
