

The Salem County Science Fair will be held this year on Friday March 8<sup>th</sup>. Alloway School students who wish to participate will do so by joining the The Science Fair Club which will meet after school until 3:30, most Mondays, starting on 10/15. Students should listen for announcements regarding meeting dates and times. In addition to our weekly meetings, Club members are committing to creating a science fair project and scientific notebook which must be completed and maintained by the student. They will also need to be available to go to the fair on both March 7<sup>th</sup>, for set up and March 8<sup>th</sup> for the competition itself.

The science fair is an excellent opportunity for students to strengthen their science skills and to gain valuable real world skills as well. The experience is educational and fun. I look forward to seeing what exciting and creative projects our students create.

Please complete, sign and return the permission slip below on by Wednesday October 10<sup>th</sup>. Students who do not have a signed permission slip, will not be permitted to attend.
