

# Alloway Township School

*Home of the Tigers*

**Kristin Schell**

Chief School Administrator

Dear Parents/Guardians,

A 2007 State Supreme Court ruling advises schools of their responsibility regarding student safety at dismissal time. Alloway Township School provides procedures that are reasonable and safe. We also want to dismiss students according to parents' requests.

If your student (regularly or on occasion) walks home unaccompanied by an adult, please complete the form below and return it to the main office. If you have a younger student that walks home with older student(s), but you do not want them to walk home without the older student(s), please indicate those types of requests on the 'note' line. Thank you for advising us of your wishes concerning walking home at dismissal. Please complete one form per family.

Best regards,

Kristin Schell

My student(s) has(have) my permission to walk home from school regularly and on occasion, including half days and after school activities.
